Accessing Workspace Skills

WORKSPACE WHIZ

Welcome to Workspace Skills! Workspace Skills is a series of interactive tutorials that will help you learn how to use Google Workspace for Education tools efficiently and effectively.

01

Go to classroom.google.com

Join the Workspace Skills class your teacher has invited you to or go to the Workspace Skills class you are a student in.

02

Click Classwork

Select a tutorial that has been assigned to you.

03

Complete the tutorial

Follow the prompts step-by-step to learn new skills and practice them within the tutorial environment.
